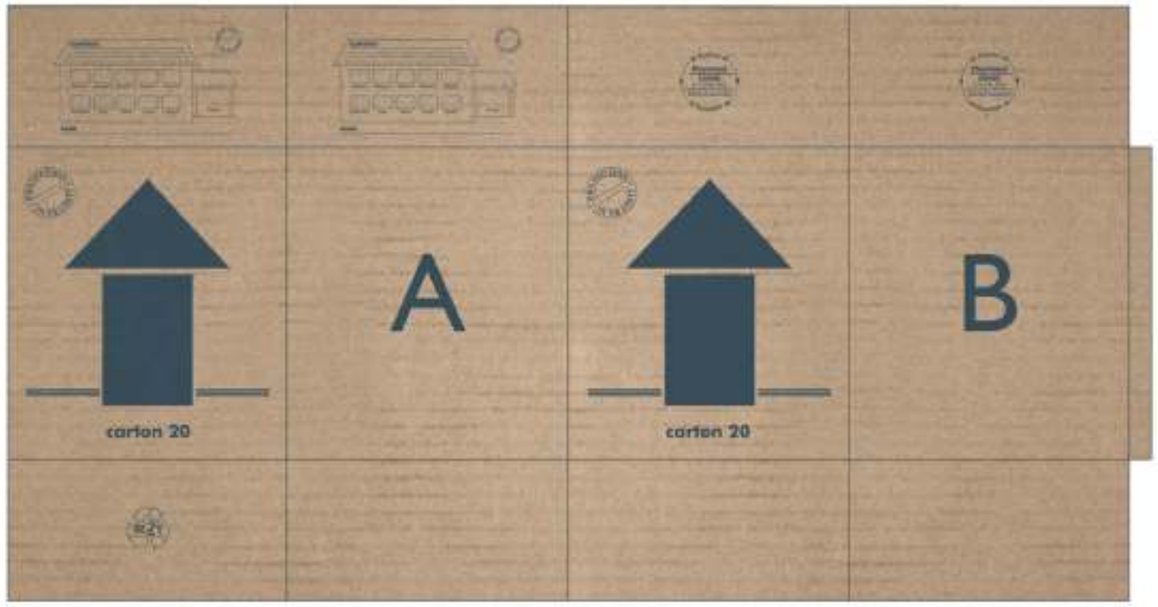
cartons

WORLDWIDE SHIPPING AND AIRFREIGHT

bulk deliveries

As well as our stock range of boxes we are able to offer fantastic rates on larger orders. These are delivered from our manufacturer direct to your door. The minimum order to qualify for these discounted rates is 540 per box size (on most sizes), however if you order more boxes the discounts get better!

We can offer all our standard size boxes for you to order or if you prefer you can have your own size box (subject to minimum requirements). All we need are the internal dimensions, quantity and paper type and we can do the rest.



direct boxes subject to a 10% under or over run

packaging tape available see page 7

custom print

We can custom print boxes with your company logo. Most prints are 1-colour and printed on the blank panels (A/B) as indicated in the picture above. Alternatively we can print all panels of the box to match your requirements. Remember that the more print coverage or colours you have, the larger the set up cost!

Custom print boxes are available on most sizes when ordering 540 boxes or more. It's never been more affordable to have your own custom print - ask for details!

hanging garment carriers

wardrobe boxes
